DESCRIPTION OF ORGANIZATION

11. Briefly describe your organization.

HealthSouth Acquisition Holdings, LLC ("HAH"), is an indirect, wholly owned subsidiary of HealthSouth Corporation ("HealthSouth"). Pursuant to the Proposed Transaction described below, HAH will indirectly acquire 100% of Reliant Rehabilitation Hospital New England, LLC ("RRHNE"), which owns and operates New England Rehabilitation Hospital (the "Hospital").

HealthSouth is a leading health care services company specializing in post-acute healthcare services and home-based patient care. It currently operates 109 inpatient rehabilitation hospitals and 89 outpatient rehabilitation locations, as well as home health and hospice programs. Through a subsidiary, HealthSouth owns and operates Rehabilitation Institute of Western Massachusetts, LLC d/b/a HealthSouth Rehabilitation Hospital of Western Massachusetts, a rehabilitation hospital located in Ludlow, Massachusetts. - A Merger with or Acquisition of or by a Hospital or a hospital system; *
- Any other Acquisition, Merger, or affiliation (such as a Corporate Affiliation, Contracting Affiliation, or employment of Health Care Professionals) of, by, or with another Provider, Providers (such as multiple Health Care Professionals from the same Provider or Provider Organization), or Provider Organization that would result in an increase in annual Net Patient Service Revenue of the Provider or Provider Organization of ten million dollars or more, or in the Provider or Provider Organization having a near-majority of market share in a given service or region;

* Pursuant to an Acquisition Agreement, dated as of June 10, 2015 (the "Agreement"), HAH will indirectly acquire all of the outstanding equity in RRHNE (the "Proposed Transaction").

13. What is the proposed effective date of the proposed Material Change? Immediately after receipt of all required approvals.

MATERIAL CHANGE NARRATIVE

14. *Briefly* describe the nature and objectives of the proposed Material Change, including whether any changes in Health Care Services are anticipated in connection with the proposed Material Change:

The proposed material change involves a change in the ownership of RRHNE. RRHNE is currently wholly owned by Reliant Hospital Partners, LLC (“RHP”), an indirect, wholly owned, subsidiary of Reliant Holding Company, LLC (“Reliant”). Upon the closing of the Proposed Transaction, all of the equity interests in RRHNE will be indirectly acquired by HAH.

The Proposed Transaction will be effected through a number of immediately sequential transactions, as follows:

- i. Prior to the closing of the Proposed Transaction, RHP, the direct parent company of RRHNE, will contribute 100% of the outstanding equity interests in RRHNE to Cowboy Holding, LLC (“CHL”), which was formed as a Delaware limited liability company subsidiary of RHP;
- ii. RHP will then effect an internal reorganization, whereby it will distribute (or cause to be distributed) a portion of its equity interests in CHL to its parent and, through a series of distributions, ultimately to Reliant Blocker Corp. (“Blocker”), which presently holds an indirect interest in RRHNE. As a result of the reorganization, Blocker will exchange such indirect interest in RRHNE for a direct ownership interest in CHL; and
- iii. At the closing of the Proposed Transaction, HAH will directly acquire:
 - (A) 100% of the issued and outstanding capital stock of Blocker (thereby indirectly acquiring an interest in CHL that will then be held by Blocker) and
 - (B) the remaining ownership interest of CHL not held directly by Blocker.

As a result, upon closing of the Proposed Transaction, each of Blocker and CHL will be, directly or indirectly, 100% owned by HAH, which is 100% owned by HealthSouth Owned Hospitals Holdings LLC, which in turn is 100% owned by HealthSouth. Accordingly, upon closing of the Proposed Transaction, RRHNE will be indirectly owned 100% by HealthSouth.

Upon the closing of the Proposed Transaction, RRHNE will change its name to HealthSouth Rehabilitation Hospital of New England, LLC d/b/a HealthSouth New England Rehabilitation Hospital. CHL will change its name to HealthSouth Acquisition Holdings Subsidiary, LLC.

The Proposed Transaction will allow the Hospital to continue to promote the delivery of high quality rehabilitation services. HAH does not anticipate any change in Health Care Services in connection with the Proposed Transaction.

15. *Briefly* describe the anticipated impact of the proposed Material Change, including but not limited to any anticipated impact on reimbursement rates, care referral patterns, access to needed services, and/or quality of care:

There is no anticipated impact of the proposed material change. The Proposed Transaction will have no effect on the operations of or the scope of services provided by the Hospital. The Hospital will continue to promote the delivery of high quality rehabilitation services in the communities it currently serves.

DEVELOPMENT OF THE MATERIAL CHANGE

16. Describe any other Material Changes you anticipate making in the next 12 months:

No other material changes are anticipated in the next 12 months.

17. Indicate the date and nature of any applications, forms, notices or other materials you have submitted regarding the proposed Material Change to any other state or federal agency:
