Atrius Health and Emerson Hospital (the "Parties") plan to enter into a contract pursuant to which Emerson Hospital will be designated by Atrius Health as a preferred hospital provider for Atrius Health patients. The arrangement will include developing programs to achieve the Parties' shared goals of providing high quality, cost effective care in the communities they serve and to ensure that care is provided at the appropriate care setting. The Parties will also work on various initiatives to integrate their technology systems with the aim of meeting clinical, quality and efficiency goals.
