Description of Organization

Steward Health Care System, LLC, a Delaware limited liability company ("Steward"), is the sole member of Steward Operations Holdings LLC, a Delaware limited liability company ("SOH"), which, in turn, is the sole stockholder of Stewardship Health, Inc., a Delaware corporation ("SHI"). SHI is the sole corporate member of Stewardship Health Medical Group, Inc., a Massachusetts corporation organized under M.G.L. ch. 180 ("SHMG"), the sole stockholder of Steward Health Care Network, Inc., a Delaware corporation ("SHCN"), and an equityholder in related businesses (collectively, "Stewardship"). SHMG employs primary care physicians, and various other clinicians that provide care to patients in clinical practice locations across nine states, including Massachusetts. SHCN is a contracting organization that enters into various value-based, risk-based, and other payor contracts on behalf of providers in the Steward health system. SHI provides administrative and other non-clinical business support services to SHMG and SHCN.

Type of Material Change

12. Check the box that most accurately describes the proposed Material Change involving a Provider or Provider Organization:
- A Merger or affiliation with, or Acquisition of or by, a Carrier;
 - A Merger with or Acquisition of or by a Hospital or a hospital system;
 - Any other Acquisition, Merger, or affiliation (such as a Corporate Affiliation, Contracting Affiliation, or employment of Health Care Professionals) of, by, or with another Provider, Providers (such as multiple Health Care Professionals from the same Provider or Provider Organization), or Provider Organization that would result in an increase in annual Net Patient Service Revenue of the Provider or Provider Organization of ten million dollars or more, or in the Provider or Provider Organization having a near-majority of market share in a given service or region;
 - Any Clinical Affiliation between two or more Providers or Provider Organizations that each had annual Net Patient Service Revenue of \$25 million or more in the preceding fiscal year; provided that this shall not include a Clinical Affiliation solely for the purpose of collaborating on clinical trials or graduate medical education programs; and
 - Any formation of a partnership, joint venture, accountable care organization, parent corporation, management services organization, or other organization created for administering contracts with Carriers or third-party administrators or current or future contracting on behalf of one or more Providers or Provider Organizations.
13. What is the proposed effective date of the proposed Material Change? On or around October 15, 2024 following receipt of all required approvals.

Material Change Narrative

14. Briefly describe the nature and objectives of the proposed Material Change, including any exchange of funds between the parties (such as any arrangement in which one party agrees to furnish the other party with a discount, rebate, or any other type of refund or remuneration in exchange for, or in any way related to, the provision of Health Care Services) and whether any changes in Health Care Services are anticipated in connection with the proposed Material Change:

Under the proposed Material Change, Rural Healthcare Group ("Rural Healthcare"), through its affiliate, Brady Health Buyer, LLC, a Delaware limited liability company ("Brady Health"), would acquire substantially all of the assets of, and assume certain liabilities of, Stewardship. Rural Healthcare would help to fund and support Brady Health's strategic and operating plans and support its efforts to recruit and retain high-quality primary care physicians and other providers to eastern Massachusetts. The current Stewardship providers will retain their clinical practice autonomy, and Rural Healthcare is dedicated to maintaining Stewardship's current workforce. SHI does not anticipate that any Health Care Services will be diminished in connection with the proposed Material Change. This arrangement will support the growth and expansion of Stewardship's care model, which delivers value to the patient through the provision of value-based, high-quality care.

15. Briefly describe the anticipated impact of the proposed Material Change, including but not limited to any anticipated impact on reimbursement rates, care referral patterns, access to needed services, and/or quality of care:

SHI does not anticipate that the proposed Material Change will have an immediate impact on reimbursement rates, care referral patterns, access to needed services, or quality of care. Over time, SHI expects the Material Change to improve the ability of the current Stewardship providers to care for Brady Health's patients and to provide high-value care.

Development of the Material Change

16. Describe any other Material Changes you anticipate making in the next 12 months:

Steward anticipates providing Notices of Material Change regarding transactions concerning certain of its acute care hospitals and other provider operations in the next 12 months.

17. Indicate the date and nature of any applications, forms, notices or other materials you have submitted regarding the proposed Material Change to any other state or federal agency:

On May 6, 2024, Stewardship and certain of its affiliates filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. § 101 et seq. in the United States Bankruptcy Court for the Southern District of Texas and such cases are being jointly administered under case number 24-90213 (collectively, the "Chapter 11 Cases"). The proposed Material Change is subject to the requirements under the Chapter 11 Cases.

SHI intends to submit a filing required under the Hart-Scott-Rodino Antitrust Improvements Act of 1976. The Parties will provide any notices and make any other filings with government agencies as may be required in support of this Material Change.

Supplemental Materials

18. Submit the following materials, if applicable, under separate cover to HPC-Notice@mass.gov.
